

Argus RGB-Fan Set RS03 – Color your world!

The smooth running 120mm RGB-fan and the magnetic LED strip from Argus with radio remote control enables you to switch between 360 different settings. Thanks to 21 Multicore LEDs, which are placed in a ring around the transparent fan blades you can experience extraordinary light effects.

The mounting holes are equipped with rubber parts to prevent vibrations getting over the case and ensure a smooth running operation with up to 1200 U/min.

With the RGB-controller you can remote control up to 8 devices, like fans or strips.

- ✓ Radio remote control (approx. 10m range)
- ✓ Smooth operating fluid-bearing
- ✓ 21 powerful LEDs
- ✓ 11 airflow optimized fan blades

Specifications

Fan dimensions (H/W/D)	25/120/120mm
Fan speed	1200U/min
Rated voltage	12V
Power/ fan	3W
Air flow/ fan	59.40cbm/h
Noise level/ fan	20dBA
Connector	4pin PWM
Package dimensions (H/W/D)	140/127/125mm
Weight (net.)	585g
Weight (gross)	690g
Packing units	1/30
Warranty	24 Months
Article number	88885429
EAN-Code	4260455642569
Scope of delivery	3x Argus RS03 fan 1x magnetic RGB LED-strip 50cm length RGB-controller for 8 fans/strips RF wireless remote control 3x PWM Y-Kabel 2x 50cm extension cable for RGB LED-strip Fan screws Manual (German, English)
Features	Synchronic RGB-effects due to RGB-controller Up to 8 fans/ strips RGB-fans and strip with 21 LEDs each Rubber parts for operation free of vibration 2pin connector for control by reset button of the case More than 300 different effects Fluid-bearing
