Keyboard & Mouse Wireless Element KB-590WMS

Overview:

Compact design, designed to look good, the compact keyboard is 36% smaller than our standard keyboards-with all the standard keys, and its stylish design will look good with your current setup.

Powerful, reliable connection, you get a reliable connection within 10 meters (33 feet) distance, with virtually no delays or dropouts-thanks to Taiwan made Advanced 2.4Ghz wireless connectivity.

Feel-good typing, you'll be comfortable with this keyboard thanks to the low-profile, whisper-quiet keys and standard layout with full-size number pad.
