

Usb 3.1 Gen1 Flash Drive Apacer AH35A Silver RP

Overview:

Rigid Metal Casing The stainless steel body is highly resistant to impact from drops or shocks. The hairline finishes not only add a visual depth and a comfortable tactile experience, but also effectively reduce the damage caused by scratches. **Convenient Sliding Push Key**

AH35A features a retractable USB connector with a side push key that enables operation with one hand. The cap-less design avoids the hassle of accidental loss of USB cap. **Strap Hole Design** .The semi-transparent plastic strap hole makes AH35A easy to carry on a charm or attach to lanyard. Users can bring it with you anytime, anywhere.Strap accessory shown in image is not included in the product.**Large Capacity for Carrying Joyful Memories** .AH35A is available in 16GB, 32GB, and 64GB capacities, which can store up to 16,800 8-mega pixel photos or 15 hours of Full-HD videos. AH35A makes your digital life full of joyful memories!
