3-in-1 Magnetic Stylus Pen

Features:

3-in-1 Multifunctional Design

Combines touchscreen stylus, drawing tool, and ballpoint pen in one device, making it ideal for navigation, sketching, note-taking, studying, and everyday productivity tasks.

Triple Tips For Every Task

Features a nano fabric tip for tapping and scrolling, a suction cup tip for drawing and note-taking, and a ballpoint pen tip for writing on paper.

High-Sensitivity Touch Control

Provides smooth and responsive touchscreen operation with precise input, enhancing accuracy and comfort when browsing, reading, sketching, or interacting with digital devices.

Magnetic Snap-On Convenience

Built-in magnetic design allows secure attachment to compatible devices and surfaces, while the lightweight aluminum body ensures portability and comfortable everyday use.

Universal No-Power Compatibility

Works with phones, tablets, and laptops without requiring batteries, charging, Bluetooth pairing, or app installation, offering instant plug-free convenience whenever needed.
