

PRODUCT DESCRIPTION

The Edifier Prisma is a treat for your eyes and ears, designed to compliment modern PC, monitor styles and personal notebooks. The uniquely shaped subwoofer with a glossy finish enhances any environment. Connect to a host source via the auxiliary input or simply link to your iPod, iPhone or MP3 players for flexible, instant plug and play music. A wired 'red halo' remote makes adjusting the volume easy, as well as the convenient top power button on the subwoofer for power and volume control.

FEATURES

- 5 inch subwoofer, 2¾ inch oval shaped mid-range, 19mm PV dome tweeter, all magnetically shielded
- Wired low profile remote controller with red LED halo effect
- Soft touch "On/Standby" switch with red halo effect lighting, located on top of the subwoofer
- Built in headphone and MP3 player input jacks on the wired controller
- Separate bass control located on the rear of the subwoofer
- 3.5mm input jack located on the rear of the subwoofer
