UGREEN Dashboard Magnetic Car Phone Mount

Features

Powerful Magnets for a Secure Hold

Built-in strong magnets ensure your phone stays firmly in place—even on bumpy roads or during sharp turns.

Easy Installation with Strong Adhesive

Equipped with reliable adhesive backing for quick setup and a firm grip on your dashboard; allows flexible positioning to suit your viewing preference.

360° Rotatable Mount with Retractable Slider Arm

Easily rotate your phone to portrait or landscape mode and adjust the slider arm to achieve the most comfortable viewing angle for navigation or calls.

Safe and Stable Phone Support

Keeps your phone securely mounted and accessible, minimizing distractions and ensuring safe driving at all times.
