LP894-45860

UGREEN Desktop Tablet Stand

Features

360° Rotation for Optimal Viewing

Easily rotate your tablet to any angle for the perfect viewing experience—ideal for video calls, watching movies, or browsing.

Space-saving Foldable Design

The foldable structure allows the stand to collapse flat, making it easy to store or carry without taking up desk space.

Premium Metal Build for Added Elegance

Crafted with high-quality metal, the stand offers enhanced durability and a sleek, professional look that complements any workspace.

Hands-free Viewing Support

Securely props up your device at a comfortable angle, keeping your hands free for multitasking, typing, or enjoying content effortlessly.
