### Create Your Best Selfie

The LED ring light is perfect for capturing flattering light. Lighting controls allows you to dim the brightness of the light and change the color temperature. It turns a dim room into a professional-looking environment with little effort.

### Make Video Look Professional

The LED ring light delivers shadow-free lighting and striking circular catchlights in the eyes. It is an excellent tool when shooting video or portraits. Ideal for vloggers, makeup artists, and social influencers.

### Capture the Best Angle

Equipped with a flexible gooseneck arm and 360° rotatable metal ballhead/phone holder; great for adjusting the light and your smartphone to vertical or horizontal as you need. Makes you have the best angle while streaming live.

### Place Your Ring Light Anywhere

With a stand extendable up to 40 cm. It can be adjusted height into a desktop stand or a floor stand. Comes with a remote shutter for allowing to control your phone when taking pictures or recording videos.
