USB-C to USB-C 3A/60W Braided Cable

L501 35465 35441 35254 35334 65248 65245

65246 65247

Features

- 3A big current, 60W Fast Charging
- 480Mbps Data transfer
- Support PD and SCP
- Braided Cable
- 10000+ times plug and play

Specifications

* Line length: 0.15-3 meters
* wire external：TPE
* Core Material: Tin-Coated Copper
* Shielded Aluminum Foil + Metal Braided Mesh
* Wire cores: 0.15-2 meters: 4 cores + 1 floor \n3 meters: 4 cores + 5 floors
* Current Capacity: 3A (MAX)
* pin for USB-C: 12-pin
* Plug：USB-C/M White Core (94V-0) Terminal Gold-plated 15U" Stainless Steel Enclosure Nickel-plated Except for the black model, which has a white core.
* Chip Model：/
* USB-C plug-and-play operations: 10,000 times
* Capacitor Parameters：/
* Interface Version/Data Transfer：USB 2.0/480 Mbps
* Charging Power: 5V/3A, 9V/2A, 9V/3A, 15V/2A, 15V/3A, 20V/3A (MAX)
* Charging Protocol：PD/SCP
* Flame Retardant Grade GB/T 5169.23-2008
* Operating temperature/storage temperature: 0~45°C / -15~70°C
* Environmental requirements comply with EU RoHS 2.0, REACH, SVHC, Appendix 17, POPs; California 65, TSCA; and China RoHS.
