

## LP139- 50147

IPAD&Accessory Multi-functional Storage Bag

### Features:

#### Electronics Travel Organizer:

Multiple mesh pockets of various sizes provide great flexibility for organizing travel electronic accessories.

#### Enhanced Durability:

With heavy-duty nylon shell and soft inner lining, it provides excellent protection and organization from scratches, dust, impact and accidental drops.

#### Double-layer Design:

The upper layer is used to organize small items such as USB cables, SD cards and chargers. The lower layer can hold larger gadgets such as adapters, external hard drives, etc.
