UGREEN Magnetic Cable Organizer

### Features:

#### 6-Clips Flexible Organization

Includes six detachable clips that allow flexible cable arrangement, helping users manage multiple cables neatly across desktops, workstations, and entertainment setups.

#### Strong Adhesive Stability

Equipped with strong adhesive base that ensures secure attachment to desks and flat surfaces, preventing slipping or movement during daily cable usage.

#### Magnetic Snap Design

Features magnetic attachment system for easy snap-on and snap-off operation, allowing quick cable insertion, removal, and repositioning with minimal effort.

#### Universal Cable Compatibility

Designed to fit various cable types and diameters, making it suitable for charging cables, data cables, and accessories in multiple usage scenarios.

#### Clutter-Free Workspace Solution

Effectively organizes and secures cables to eliminate clutter, keeping your desk clean, tidy, and visually organized for improved productivity and comfort.
