

PRODUCT DESCRIPTION

This striking 2.1 multimedia system offers users audio quality and design that will complement any home or office environment. Magnetically shielded to reduce feedback, the M3100SF offers two sleek flat panel 3 inch satellites and a 5 inch high performance subwoofer. Connect to an array of audio hosts via the auxiliary input port and control the desired volume and bass by the separate controls to enjoy the M3100SF just how you want to.

FEATURES

- Wooden housed, side ported 5 inch 12 watt subwoofer
- Super slim satellites consisting of 3 inch mid range speakers and 10mm tweeters
- Magnetically shielded subwoofer, mid range speakers and tweeters
- Separate 3.5mm PC and auxiliary inputs mounted on rear of subwoofer
- Separate bass adjustment also located on the rear of subwoofer
