

LP930-65555/65556

UGREEN Electronics Accessories Travel Organizer

Features

Slim & Portable Design

Lightweight and compact for easy carrying, perfect for fitting into backpacks, briefcases, or luggage without adding bulk.

Splash-proof Fabric

Made with water-resistant material to protect your electronics and accessories from light rain or accidental spills.

Multiple Compartments & Pockets

Thoughtfully designed interior with various sections to keep cables, chargers, earphones, and gadgets neatly organized.

Soft Lining for Extra Protection

Interior features a soft lining that cushions your devices, preventing scratches and damage during travel.
