## UGREEN Dashboard Magnetic Car Phone Mount

### Features

#### Powerful Magnets

Strong magnetic force ensures a firm and stable grip on your phone, even when driving over rough or bumpy roads.

#### Detachable Base Design

Easily remove or reposition the mount thanks to its user-friendly detachable base, allowing flexible installation and maintenance.

#### 360° Rotation

Fully adjustable design offers 360-degree rotation for optimal viewing angles in both portrait and landscape modes.

#### One-handed Operation

Simplified design allows you to mount or remove your phone effortlessly with one hand, enhancing driving safety and convenience.

#### Horizontal or Vertical Placement

Supports both horizontal and vertical phone orientations, ideal for navigation, calls, or media playback while on the go.

### Installation
