UGREEN 2-in-1 Universal PD Fast Charging Cable 5A Max

Features

2-Port Fast Charging Support

Equipped with dual connectors, this cable supports fast charging for laptops, tablets, and phones, delivering up to 5A power output for efficient, simultaneous charging across multiple devices with just one cable.

Durable High-Density Braided Cable

Made with premium high-density braided nylon, the cable offers exceptional resistance to cracking, bending, and daily wear. It ensures a longer lifespan while remaining flexible, tangle-free, and highly reliable for heavy everyday use.

Safe Charging with Smart Chip

Integrated intelligent chip technology automatically detects the connected device's power requirements, dynamically adjusting the current output to prevent overcharging, overheating, or short circuits for safer and more stable charging performance.

Specifications

- *Connectors: USB-C
- *Function: Charging & Data Sync
- *USB 2.0 speed up to 480Mbps
- *Support PD3.0/QC4.0/FCP(100W max)
- *Wire core: tin-plated oxygen free copper
- *Multiple internal shielding
- *Can not transmit audio and video
- *Aluminum case with braid
