Computer Case Inter-Tech H3 Octagon-RTX

Overview :

H3 Octagon - the new RTX case out of the Eterno Series from Inter-Tech The power supply will be mounted at the bottom of the case and the mainboard on the opposite side as usual. Thereby the graphics adapter will be placed in the upper half and the CPU in the lower half. This means, that the air flow will be much more optimized to cool your internal components. Equipped with a fast USB 3.0 Port, you are able to transferdata with up to 5 Gbit/s. Furthermore the case includes an internal cable management to position all cables outside the airstream.
