

# AH350 USB 3.1 Gen 1 Flash Drive

## 16GB/32GB/64GB

### USB 3.1 Gen 1 & USB 2.0 Compatible

AH350 features easy plug-and-play capability and is compatible with USB 3.1 Gen 1 and USB 2.0 interfaces.

### Hidden Side Push Key

The exclusive hidden side push key of AH350 allows your thumb and palm to fit perfectly the flash drive when you're holding it. Without worrying about losing a cap, the AH350 balances aesthetic design and ergonomics.

### Compact & Streamlined Design

AH350 is a most lightweight USB 3.1 Gen 1 flash drive with the highest cost performance available in the market. AH350 fully demonstrates Apacer's aspiration for Super Speed in an elegant and a sophisticated fashion from both its transfer rate and streamlined casing.

To show the beauty and strength of speed in its design, AH350 takes inspirations from top racing cars and is deliberately made in a contrast of glossy black and matte white to highlight its streamlined appearance.
